

## Join Us for Dance Summer Camp!

It is getting warmer and that means summer vacation is on it's way. Now the question is...  
“What can I do to keep the kids entertained, active, learn some new things, and that is fun for them over the summer break?”

The answer is Dance Summer Camp!

**Higher Ground Dance Academy** is happy to offer dance camps at the Rock Creek Complex for young children through teens who want to dance this summer! Students will learn basic dance skills in ballet and jazz, make creative art & crafts, have a healthy snack, and play movement games with friends. Dance camps have a friendly atmosphere encouraging fun and self-improvement. These week long camps are a great introduction for kids new to dance and the perfect way to keep those dance skills sharp for experienced dancers.
