Opening Day Event Overview

Opening Day is the big kick-off day for Spring Sports, where all teams are invited to come out to enjoy the wide variety of concessions, games, and activities. Spring sports participants, ranging from the 4-year-olds playing soccer to the 14-year-olds playing baseball are recognized for their involvement in our biggest youth sports season of the year.

With over 1,000 children participating in Dawson County Parks & Recreation spring sports, Opening Day attendance is expected to be over 2,500 people, including participants, parents, family, and friends.

The event is scheduled to begin at 10:00AM and end by 4:00PM. Vendors, team photos, children's activities, and exhibition games will take place throughout the day, with participants and event-goers coming and going as the day progresses.

The entire community is invited to attend; however, the majority of the attendance is comprised of spring sports participants and their family and friends.
