

IMPORTANT NOTICE

Regarding Impact Fees

The Dawson County Board of Commissioners Voted to Suspend Collection of Impact Fees for New Construction on May 21, 2009

PLEASE NOTE THE FOLLOWING CONDITIONS:

- Suspension of the impact fees is intended to spur new development during this period and will be re-evaluated in approximately one year.
- In order to preserve any right to a grandfathered zero impact fee status permits **MUST** have received a passing foundation inspection within one year of issuance of the original permit date. Further, the permit **MUST** also receive a Certificate of Occupancy within 24 months of issuance of the original permit date.

If you have any questions Please contact the Community Development Department at 706-344-3604
