_____ This is to certify that if the property is adjacent to an Agricultural District, an ongoing use which may produce odors, noise, dust, and other effects which may not be compatible with the applicant's project/development. Nevertheless, understanding the effects of the adjacent Agricultural use, the applicant agrees by executing this, waives any objection to those effects and understands that his district change and/or permits are issued and processed in reliance on his agreement not to bring action asserting that the adjacent uses in the Agricultural district constitute a nuisance against local governments and adjoining landowners whose property is located in an Agricultural district.

_____ Temporary connection shall not exceed the period of time in which the building permit is valid or completed. Not to exceed the permits the state licensed electrician who has requested this release accepts all liability and responsibility for the use of electricity at this locations. It is understood that no occupancy will be allowed during this temporary connection period and any violation will result in a citation and disconnection of service without any notice. By requesting this inspection the licensed electrician, builder, and/or owner understand the requirements for temporary power and will relieve Dawson County and it's inspectors from any liability or loss for ordering connection or disconnection of electrical service. I t is also understood that he/she is to have a Dawson County Business License or is registered with Dawson county to be able to work within the County.

_____ Any person acting without a licensed residential contractor to build his/her structure/building on his/her own real property, shall not be eligible to construct another building/structure for a period of 24 months from the time a Certificate of Occupancy/Completion has been issued. Further, such person may not delegate the responsibility to directly supervise and manage all or part of the work relating thereto to any other person unless that person is licensed by the State of Georgia.
